## MEASURING and HEIGHT CARDS

### New Rules – Please Read

**New Rule: “If a measurement is necessary, it is the exhibitor’s responsibility to have their dog(s) measured prior to running.”**

If your dog does not have a Permanent height card, or if your dog has turned 2 years of age, since getting your temporary height card, your dog NEEDS to be measured.

Exhibitors are **NO** longer required to send their height cards in with their entries, Jump Height cards are **NO** longer required to be shown during check-in.

The entry form has 3 new boxes:

- 1) My dog needs to be measured,
- 2) My dog has a Temporary Height Card,
- 3) My dog has a Permanent Height Card.

**ONE OF THESE THREE BOXES MUST BE CHECKED.**

All dogs competing in agility must possess an official AKC\_Jump Height Card. Dogs that do not have a valid Jump Height Card must be measured by a judge of record for that trial and will only be effective for that set of trials, excluding the dogs jumping in the 24-inch or 26-inch height division.

If an official measurer is present, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form must be measured for a Jump Height Card regardless of the jump height entered.

If there is not an AKC Field Rep or VMO in attendance, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form may still compete; however, they must be measured by a judge of record for the trial, prior to running at each trial. The judge’s measurement will be valid for this trial or back-to-back trials only.

If a dog is measured by an AKC Field Rep or VMO and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card.

## MOVEUP CLARIFICATION

### Chapter 1, Section 19 of the *Regulations for Agility Trials* state:

**As per Section 19**, American Kennel Club Regulation for Agility Trials, dogs may be moved up to a higher class, at the request of the Owner, as a result of qualifying for an agility title. Dogs so moved up will be entered at the end of the running order or otherwise at the secretary's or Judges discretion.

**Day-to-Day Move-ups:** Move-ups from day-to-day at a set of back-to-back agility trials shall be at the discretion of the club. The request for moving up must be made to the Trial Secretary not later than the day preceding the event.

### **When is an exhibitor eligible to request a move-up?**

If an exhibitor wants to move-up on the first day his/her dog is entered, the move-up must be submitted by the first deadline, which is by 6pm on the Monday before the trial in most cases. (See Chapter 1, Section 19 of the *Regulations for Agility Trials*.) Once an exhibitor has shown on their first day, then day-to-day move-ups apply.

**Example 1:** Sally is only entered in Novice STD on Sunday of a trial weekend that encompasses Friday – Sunday. Sally earned her NA title for Fluffy the previous weekend. Sally has until Monday @ 6pm to request a move-up for Sunday's entry. Sally may not request a day-to-day move-up on Saturday, since she is not entered on Saturday, she's only entered on Sunday. In order to move-up to a higher class level, she must notify the Trial Secretary that she wants/needs to move-up prior to the deadline preceding the trial weekend.

**Example 2:** Sally is only entered in Novice STD on Saturday and Sunday of a trial weekend that encompasses Friday – Sunday. Sally earned her NA title for Fluffy the previous weekend. Sally only has until Monday @ 6pm to request a move-up for Saturday's entry. If she doesn't move-up for Saturday's event by 6pm on Monday, Sally is allowed to move-up on Saturday to Open STD for Sunday's event because she was entered on Saturday.

**Note:** Day-to-day move-up acceptance is dependant upon whether the dog was entered on the day of the move-up request. The timeframe of when a dog has earned titles has no relevance in determining eligibility when accepting a day-to-day move-up.

**NOVICE MOVEUPS: Dogs or Handlers having attained ANY AKC Agility Title** (Std, JWW, OR FAST class) **must be moved to the Nov B Classes** (Std, JWW and FAST classes) for all trials that have reached the final closing date at the time that they get that first title. So be sure and contact the trial secretary to change your entry from Novice A to Novice B. Once a trial closing date has past, a dog cannot be moved from Nov A to Nov B. If the trial has already reached the closing date on the day the dog obtained its title, the dog shall remain in the class in which it was originally entered. The dog can also be moved up a level (Nov to Open) at the request of the owner subject to the normal move-up criteria.

**Before the trial, Move ups may be made prior to the move-up deadline via email to [Ltrialsec@optonline.net](mailto:Ltrialsec@optonline.net), or in writing to Cindy Medina, 294 Neptune Ave., W. Babylon, NY 11704-5815. Verbal move ups will not be accepted.**

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Mixed breed classes may only be offered at standalone all-breed AKC agility trials. A standalone agility event is defined as an agility trial that is not held on the same date and show site as an AKC All-Breed Dog Show or Independent Specialty for conformation.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 816-3776. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship is the Junior Handler to the Owner?
